Subject: Thank you for your continuous valuable contribution in our vision for a dignified and transformed life of people affected by leprosy.

Dear Sir,

The healing and inclusion start with the generous help, a glimmer of hope and soulful eyes. Leprosy is an age old disease which finds mention in almost all religious books. It is mentioned as a disease associated with the sins of people. The victims were socially excluded and left outside city walls on their own fate.

Thank you for your continuous generous support for our patient in Premananda Memorial Hospital TLMTI, Kolkata. Your magnanimous help and willingness to help will make sure that people affected by leprosy live a life with dignity and confidence. We thank you wholeheartedly for providing us the following mentioned:-

- Patients Christmas love fest(Lunch) Rs. 20,000=00 vide ch. No- 354442 dt.07.12.2023

(Total cost of Rs. 20,000/- (Rupees Twenty Thousand only)

Your kind gift is already creating miracle recoveries for the special needs of our patients. You're helping to give these grateful strays the time and attention they need to heal, with lifesaving surgeries, gentle rehabilitation therapies and socially. Truthfully, we could not do this without you. We, and those we serve, sincerely appreciate your generosity.

Sincerely,

Mark Moloy Amros
Business office Head
