

Scottish Church College

We are happy to announce the result of Earth Day Celebration Competitions 2021, organized by SCC Students' Activity Clubs in collaboration with the College IQAC. The theme this year was "Restore Our Earth" focusing on natural processes, emerging green technologies and innovative thinking that can restore the world's ecosystems. Congratulations to the winners as well as all the participants.

Position	Name of the student	Semster	Department	Roll number
First	Arpita Halder	IV	English	19A-137
Second	Eliza Ishika Bor	IV	English	19A-159
Third	Ipsita Paul	II	Microbiology	19S-521

All the participants will receive e-certificates which will be mailed to them.

Dr. Madhumanjari Mandal

Principal

Slogan writing

Anamika Jana
Sem-IV, B.B.A

নাগরিক অরণ্য আর নয়
আরণ্যক নগরের হোক জয়

Sayan Mukherjee
Sem-VI, English

धरती से हम हैं, हम से धरती नहीं,
भूलें जो ये, रहेंगे हम नहीं।

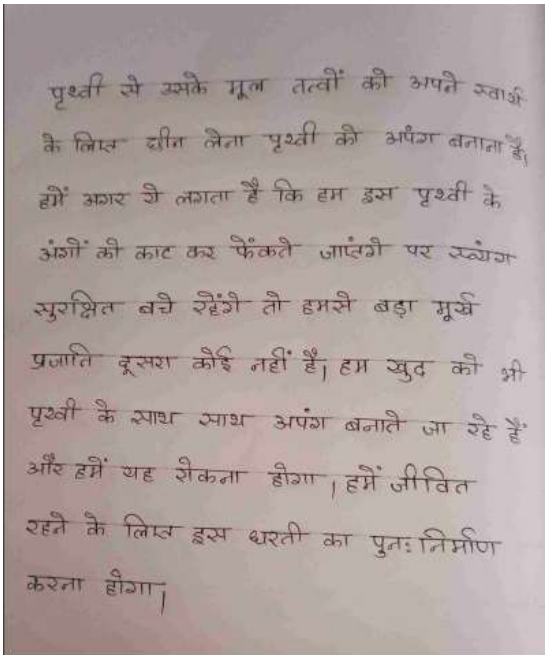

Ekata Ganguly
Sem-II, History

মানবিকতার হাত ধরে
সবুজ বাঁচুক বিশ্ব জুড়ে

Full list of participants

Name of the participant	Department	Semester	Slogan
Angela Ria Augustine	B.ed	II	Restore our earth
Moumita Sinha	English	II	We've got only one earth to heal, to make our tomorrow clean and green.
Daniel Poulomi Ghosh	English	II	<p>To the old days and clear sky, Where earth was free and birds could fly No viruses, no diseases; Never did our life ceases! So, what are we waiting for? Let us rise together and cure our earth; Free it from disease and heal it's heart. In isolation, let the old golden days come back With mask and sanitization, let us return to the old track! Let us create the wall strong against the virus And help ourself to "restore our earth"!</p>
Tanisha Ray	Botany	VI	Make the earth a better place to live before it starts getting a habit of living without us
Deb jyoti Majumder.	Mathematics	IV	Save the earth, its the only planet we get to run on, so recycle, restore, replenish, reduce, reuse.
Barnita Sarkar	B.Ed	II	Tree planting is the most reliable action to restore our earth from pollution
Shriva Bhowmick	B.Ed	II	Stop Deforestation Save Green, Stop Pollution Breathe Clean, Change Human Habit, Practice Reduce Reuse Recycle

Deepak Emmanuel Soren	Economics	II	Restore our earth
Eliza Ishika Bor	English	IV	Wake Rise And Smile, Let Us Recreate This Isle.
Akanksha Paul	Political Science	IV	Save Earth ! Because its our Future , Only place where Life Nurtures.
Anish Datta	History	II	You Believe in Axes, I believe in Saplings. We are not same brother.
Aadhya Jha	Botany-PG	II	"We are alive because our ancestors wanted us to witness life. We give birth to new generations because we want them to live happily. All our money, technology, bank investments will go in vain if we do not let them breathe oxygen and drink water. We must rethink. We must restore our mother earth." 
Uki Chowdhury	Political Science	IV	Restore the roots to revitalize life
Rajdip Bandyopadhyay	Physics	I	A healthy earth needs our loving care.
Tiyasa Naskar	Microbiology	IV	Clean, green and sustainable - let's work together to restore our earth!
